The NY Rotary Foundation of the Rotary Club of New York donates \$100,000 to the Eradication of Polio Plus

To: Mr. Mort Eydenberg, Chairman
Mr. Sylvan M. Barnet, Jr., Trustee
Mr. Silvio Amori, President, R. C. of New York

Dear Mort, Barney and Silvio,

Many thanks for your hospitality and generosity during my visit to New York this week. The Rotary Jazz Concert and Rotary meeting were events that will long be in my memory. Needless to say, the magnificent and generous leadership gift for polio eradication will benefit the children of the world and encourage other clubs and foundations to also assist in this valiant cause. You have truly put to practice our theme of "Sowing the Seeds of Love."

I look forward to sharing Rotary again with you in the near future and send my heartiest appreciation to all your members.

Yours in Rotary,

Jack Blane, International Advisor, Polio Eradication Fundraising Committee

CONDOLENCES

It is with great sadness that we inform you of the passing of Mats Ingemanson's father, on April 27th and Past President Lew Kulik's father, who passed away on April 26th in Port Jervis, NY. Arthur Kulik would have been 91 years old in June and came to Rotary on more than one occasion. He was a dear friend of Rotarian Tsuguo Endo for many years, and actually spoke at our club when he received his fellowship award.
